Your Excellency Dr. Aziz Ponary Mlima

Thank You and Farewell

Your Excellency Aziz Mlima, High Commissioner of the United Republic of Tanzania to Uganda.

As we bid you farewell and wish you all the best in your next chapter, we want to acknowledge and celebrate your contribution to the journey of Julius Nyerere Leadership Centre (JNLC) at Makerere University. We believe that among the many things that those you will meet in your next chapter will benefit from is your dedicated and committed promotion of the United Republic of Tanzania as a country, its culture, history and Kiswahili as the language of unity.

You came to Uganda at the right time when Julius Nyerere Leadership Centre (JNLC) was trying to find its bearing having been established by His Excellency President Yoweri Kaguta Museveni as a Presidential initiative in October 2018 to honour and preserve the legacy of the late Mwalimu Julius Kambarage Nyerere. Your contributions to JNLC's journey have been many and invaluable, starting with your belief in the Centre's *raison d'être*, the mission and vision of its programmes and discussing with us ways to enhance its reach and impact. Your dedication and positive attitude have made a lasting impression on me as the Executive Director of JNLC charged with steering the Centre's programmes and activities, the Board of Directors and the entire JNLC team.

During this JNLC journey that has finally established the Centre as a focal point for youth leadership training and cross-generational dialogues there have been uncertainties and many firsts but always with the ideals of Pan-Africanism and servant leadership espoused by Mwalimu Julius Nyerere as the guiding focus. We will miss your contributions, your desire to include us more strategically in the heart of the Tanzanian community in Uganda and their activities, and your receptiveness to our ideas and activities which you willingly attended however small. I know that the Tanzanian students who have come to rely on you to raise the bar and the profile of all their activities will also miss you very much.

We wish you all the best in the next chapter of your work. We also hope that our paths will cross again in the future. However, even if our paths do not cross again, we hope that, like us, you will carry with you fond memories of our times together as we worked to honour the legacy of Mwalimu Julius Kambarage Nyerere as the quintessential servant leader of our times.

For and on Behalf of the Board of Directors

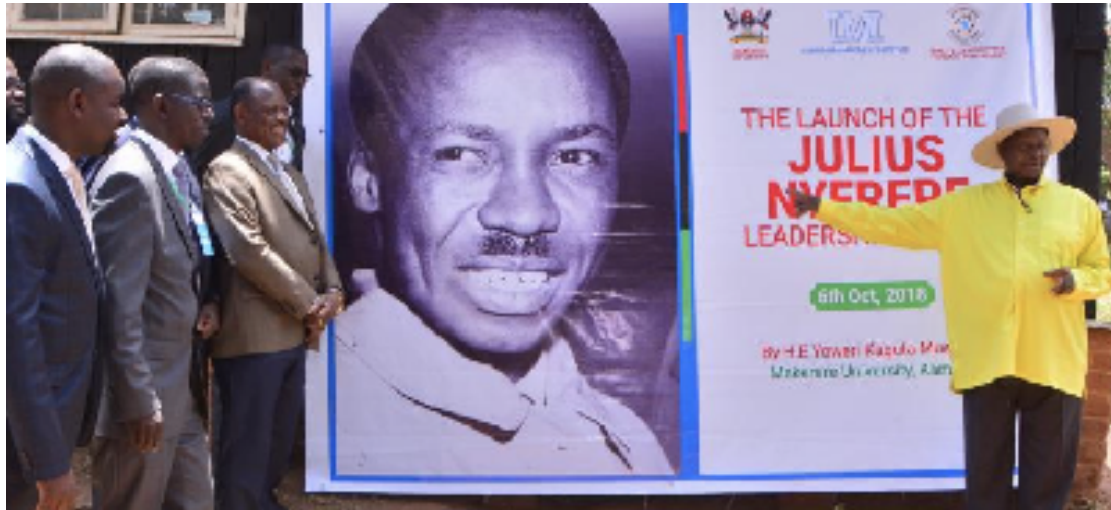

Julius Nyerere Leadership Centre (JNLC)

A Presidential Initiative

Julius Nyerere Leadership Centre (JNLC)

Julius Nyerere Leadership Centre (JNLC) was established by His Excellency the President Yoweri Kaguta Museveni on October 6th 2018. As a Presidential Initiative, it was to honor the legacy of the late Mwalimu Julius Kambarage Nyerere, the first President of the United Republic of Tanzania.

By contextualising problems and their solutions, Julius Nyerere Leadership Centre (JNLC) draws from a wide variety of approaches, that include, innovative policy leading research and regular cross-generational dialogues and seminars. The seminars and dialogues provide an important platform for distinguished African intellectuals, scholars, other accomplished Africans to share, nurture, mentor, challenge and account to the current and future generations of African leaders. The Centre also undertakes youth leadership training and mentoring to provide students with an understanding of both the formal and informal basic transformative leadership skills needed to enable them to effectively serve and influence policies and programmes.

Julius Nyerere Leadership Centre (JNLC) has three broad objectives:

- 1 - To undertake policy-leading research;
- 2 - To conduct youth leadership training that upholds the ideals of unity, community and servant leadership;
- 3 - To host cross-generational dialogues and seminars.
